Mr. Leon Jaworski,
Bank of the Southwest Bldg.,
Houston, Texas 77002.

Dear Leon:

Sometime ago - too long ago for me to mention the date - you sent me a letter enclosing a clipping from the Houston Post concerning the work of the Commission.

It was thoughtful of you to do so, and I appreciated the comment of the writer. It is not surprising that people still discuss the assassination of President Kennedy, but it is almost beyond belief how so many of them can accept as true some of the things which are being written about the assassination and the work of the Commission in trying to determine the facts.

I hope this finds you well, and that one of these days our trails may again cross.

Sincerely,
